To Whom it May Concern:

The Town of Loyal, in cooperation with the Wisconsin Department of Transportation (WisDOT), is proposing to replace the Rock Creek Bridge along Spencer Road, located 1.4 miles east of the intersection of Spencer Road and County K in the Town of Loyal, Clark County, WI. The proposed project would involve the removal and replacement of the existing bridge and reconstruction of the approaches to the bridge.

Spencer Road would be closed during construction and no detours would be posted as alternative routes are available. Access would be maintained for local residences and emergency vehicles. Construction is anticipated for the summer of 2026. No real estate is anticipated to be needed to complete the project.

An in-person meeting will be held on October 30, 2024 from 5:00-6:00 pm at the Town of Loyal Town Hall, located at W3412 Chickadee Road, Loyal, WI 54446. Project representatives will be available at that time to discuss the proposed project and address any questions or concerns. A Power Point presentation detailing the project will also be made available on the Town of Loyal website from October 16th to November 30th, 2024. The objective of this Public Outreach is to provide adjacent property owners, interested citizens, and public officials with an opportunity to comment on the design for this improvement.
